## Individual job and career advice

### Experienced consultants

A combination of Individual Job and Career Advice and workshops with an experienced consultant for six weeks in a row.

All our consultants have extensive knowledge about and network in Danish companies.

### We assist you with the following

- Sharpening your CV's and application texts
- Finding relevant jobs and companies
- Building strategies for company contact
- Becoming a more efficient jobseeker
- Finding internship (virksomhedspraktik) or wage subsidized work (løntilskud)

### Other topics in the program

- How to put your international background into play
- How to build and maintain your professional network
- Introduction to Danish workplace culture both theoretical and practical
- Innovation and entrepreneurship

### A partner in your jobsearch

DRC Integration has close connections to educational institutions, the Jobcenter and a wide variety of companies, which makes us a great partner in finding suitable matches for diverse qualifications.
